

Omaha Dog Park Advocates

Wednesday, June 14, 2006 Regular Meeting
Hefflinger Park – 11111 West Maple Road
6:00 p.m. – 7:00 p.m.

Meeting Minutes

- I. Fencing Updates:
 - The airlock systems for both the small dog and all dog areas have been installed!
 - The City is still completing fencing around the all dog area.
 - The City is still lowering fencing around the small dog area to prevent escapes.
 - We are discussing the option of putting a dividing fence in the all dog area to break up the very large space. Each side would be open for use; however those handling visiting dogs may find it useful to have the 5 acres split into two 2.5 acre sections. Comments should be sent to admin@omahadogpark.org
- II. Rules and Regulations Signs
 - A bid has been accepted from Artistic Sign and Design
 - We are waiting for the City to approve so we can have the two large rules signs installed outside of each entrance.
- III. Grand Opening
 - If all goes as planned with the City we would like to have the park opened just after July 4th
 - The opening depends on the City's ability to complete the fence installation and repositioning.
